MY JOB DESCRIPTION

I am a vivacious DJ based in London. I am passionate about Grime music but also loves to play R&B, Hip Hop, Garage, Funky House and anything with a dirty bass line!

I fell in love with music ever since I found my father's extensive Reggae and Dub vinyl collection as a child and I now hold a degree in radio production. I have hosted a large number of live sets for Rinse FM, Pyro and Déjà vu Radio and has been guest DJ on BBC Radio 1Xtra alongside Sir Spyro and DJ Target.

I am a resident DJ for eskimo dance and am behind the popular 'Thursday Club' night at Boxpark, Wembley. I have also graced the stages of some of the UK's top festivals including Wireless, Reading & Leeds, Tranzmission and Latitude and you may also recognise me behind the decks at flagship retail stores across the UK, such as Top Shop, Nike Town, New Look, Missguided and JD Sports.

10 TIPS ON HOW TO FOLLOW IN MY FOOTSTEPS

1. Practice and perfect your craft and be as authentic as possible.
2. Enjoy what you do and have fun.
3. Be professional at all times. Be punctual- time keeping is everything and don't drink before a set/performance!
4. Communicate well with people and network. One conversation can change everything.
5. Don't compromise yourself, move with integrity, make choices you'd be proud of. Always be yourself and only do things that you feel comfortable with.
6. Have confidence and believe in yourself!
7. Be consistent and don't give up as you will see the benefits of your hard work. Some times patience can go a long way.
8. Ladies, don't let men take over or control projects/ sets. Be assertive but respectful.
9. Be resilient. The industry can be a tough place, try not to let it get to you. Remain optimistic.
10. Don't compromise your mental health. Take time out as and when you need to. Don't take social media too seriously.
