

The Deptford Lounge & Tidemill School complex is a new landmark building for Deptford town centre. In addition to a brand new Tidemill School, the complex will offer a range of cultural, leisure and community services, all under one roof.

When completed in autumn 2011, the complex will provide local people with easier access to a range of services including:

- a state-of-the-art-library
- a primary school
- a Council AccessPoint
- adult education courses
- sports and leisure facilities
- health and wellbeing services
- community spaces
- meeting rooms
- a café

Giffin Square will also benefit from the development, with improved facilities for the market and a new performance space.

This is part of a programme of works to regenerate Deptford town centre and the surrounding area. This also includes the new six-lane swimming pool and extra changing facilities at Wavelengths, additional parking areas, the re-landscaping of a number of parks and public spaces, improvements to a number of streets, the re-building of Deptford Green School and the re-design of Deptford Station.

Where to find us

The Deptford Lounge & Tidemill School complex is next to Wavelengths Leisure Centre on Giffin Street. Parking is available on Frankham Street.

If you are interested in using any of the spaces in the Deptford Lounge to deliver your service or promote your group, or you would like more information generally about the complex, please email thdeptfordlounge@lewisham.gov.uk.
